

Hi

Thanks for joining us for the upcoming CAMS Come & Try Day. As this may be your first time out on track please be aware of a few items which require your attention prior to the event.

Barbagallo Raceway is located off Wattle Avenue East in Neerabup. Located approximately 20 minutes north of Joondalup, so please ensure you factor enough time to arrive for an 8am sign on.

The event is intended to offer a simple introduction to driving on track and the available motorsport disciplines and opportunities. We will cover seating, posture, adjustments, fundamentals of vehicle control and race lines.

The event will be conducted on the Main Circuit, and it should take 3 hours.
There will be 2 groups (Morning and Afternoon) Morning session starts 8.30am sharp
Afternoon session 12.45 Sharp

What will you require?

- Long sleeve shirt, preferably cotton
- Long pants down to the ankle, preferably no polyester or similar
- Helmet; if you already own a helmet please confirm it has as at minimum a AS1698 compliance sticker, alternatively helmets are available for hire for the duration of the event. These are available for \$15 per helmet.
- Enclosed footwear

What will the car require?

- Ensure tyre treads are sufficient for a day of track activity
- Road tyres should be inflated to slightly above normal pressures, rule of thumb is approx. 36psi for most vehicles
- Enough fuel for a day of track activity, greater than half a tank would be recommended in most cases
- Serviceable brakes, ensure sufficient pad is available
- Serviceable seat belts, both driver & passenger
- Seats secure with adjusting mechanisms fully functional
- All lights functional
- Wipers and washers functional

Upon arrival to the facility, make your way to the 'Pit Paddock' area and park in the carports provided as outlined in this map.

Upon arrival make your way to the 'Race Office'. This is located in the large admin building entry opposite entry to the stairs.

Please be advised the canteen will not be open for this event however a drink vending machine is available, and there are water coolers in the Race office

Further details will be provided during the briefing including a timetable of activity.

Many thanks for your interest in this event and we look forward to your attendance,

Peter Bowra
